

## BRABO Shuttle

December 5th 2013

# IFB: a rich history

- Founded in 1923 as Société Belgo-Anglaise des Ferry Boats, later ( in 1998) renamed IFB after taking over : Euratral, Interferry and Edmond Depaire Rail
- Early 2009: acquisition intermodal operator TRW
- End 2010: Integration East network ICF
- Headquartered in Antwerp
- Headcount: 90 (as per 1.11.2013)
- Volumes 2012: 703.183 TEU
- Revenue 2012: € 125 Mio
- Shareholder = 100% NMBS Logistics (privatized freight division of NMBS)

# IFB: what we offer

- A West-European intermodal network with high-frequency terminal-terminal links and gateway connections with partners (South Italy, South Spain, Greece and Turkey)
- Strong focus on quality : own wagon fleet, carefully selected traction providers and highly motivated customer service team
- Neutral and independent
- Local assistance through own agencies or third parties
- A unique combination of rail and barge where appropriate
- Small management team with short reporting lines, available to you
- An empowered traffic control team
- A balanced mix of deep-sea, short-sea and continental cargo on our routes

# IFB core business lanes.

Consolidated point-to-point shuttle system.

# New Port Distribution system

**IFB Port Distribution System**
